## Mick Taylor

Mick is the Club secretary and can be contacted at:

- Email: **StevenageAndDMCC@gmail.com**
- Telephone: **01438 354130** or **07773 432738**

... or find him at the **Club meeting** on a Monday night:

Mick first joined the club in the mid sixties, served on the committee in the early seventies and he's been Club Secretary since the early eighties.

His first bike was a **Excelsior Talisman** twin, followed by a **NSU Max** and then an **Ariel Arrow**. He's had various road bikes since.

He started road racing in the mid sixties on a **125cc Bultacos** followed by a 125cc Yamaha, competing in club events and the 125cc British Championship.

At that time, he also took up competing in trials events on Bultacos, Montesas and a Suzuki. He stopped road racing in the seventies but continued trials riding into the early eighties.

He's been a regular visitor to the Isle of Man since 1976 and still loves going there for the TT.

He still rides and is now on his 4th **Aprillia** – strangely, he thinks they are fantastic bikes and ooze class and style. He claims he really can't understand why every club member hasn't got one.
