## Cider Bob

Cider Bob is just one of the general committee members but runs the **Club's** website, **Facebook** page, Whatsapp groups and weekly text updates.

He also plans & leads the one of the group ride almost every Monday night throughout the year.

Cider can be contacted at:

- Email: [StevenageAndDMCC@gmail.com](mailto:StevenageAndDMCC@gmail.com)
- Facebook: [www.facebook.com/StevenageAndDMCC](http://www.facebook.com/StevenageAndDMCC)
- Website: [www.stevenageandmcc.co.uk/contacts](http://www.stevenageandmcc.co.uk/contacts)

... or find him at the **Club meeting** on a Monday night:

Cider joined the **S&DMCC** in 1988 when he first moved to the area as a way of getting to know local motorcyclist and it wasn't long before he earned the nick-name (although it's now a bit out of date).

He's been an active member ever since, often being on the committee.

He's ridden all year round every year for well over 30 years and has owned more than 40 different bikes in that time, ranging from a Honda step-through to high performance sports bikes and various other weird and wonderful machines. At the moment, he has a **Suzuki DL650 V-Strom** which he uses most days, a **Triumph Tiger 1200 Explorer** which only comes out when there is no salt on the road and a **Honda CRF250L**.

He's an advanced rider and has also done a fair bit of green-laning and motocross.

He tries to get at least two tours in each year (normally more) and he goes along most Monday club nights - usually leading the group ride. He's always up for a ride if he's not at work and time/commitments allow so give him a yell if you fancy someone to ride with.
